Claim No. 7173815490

Dear Ms. Olson:

We received the 03/11/2021 report of QME Dr. Stoller. We rate the report to 47%, which equates to \$72,500.00. We would be willing to recommend settlement via Stipulations at the above rating. Alternatively, I would be willing to recommend settlement via C&R in the amount of \$110,000.00. Please note my client is also entitled to the Supplemental Job Displacement Voucher, whether we settle by Stipulations or C&R.

In the interest of compromise, we used 7% WPI and not 18% as discussed in Dr. Stoller's report. Furthermore, we have added the impairment for the upper extremities pursuant to *Kite*. To that end, we have issued a supplemental report request to Dr. Stoller.

Please provide my office with the updated benefit printout.

As you have written Dr. Stoller for a supplemental report request referencing the report, we have not attached a copy. Should you require a copy, please let my office know.

Thank you for your attention to this matter. Should you have any questions or concerns, please do not hesitate to contact my office.

Very truly yours,
